

Veterinary Pro Cart E3000

WITHOUT FIBER OPTICS

The E3000 Dental Treatment Console is the industry's most powerful, small animal dental delivery unit, providing full dental capability in an easy-to-move design.

FEATURES

- Quiet oil-free compressor provides clean air and is maintenance-free.
- Compact size (16"W x 43"H x 25"D) is the perfect height for counter or table-side use.
- Two large water bottles are easily accessed and sufficient for long-duration procedures.
- Composite top work surface and aircraft-grade aluminum chassis are easy to clean and durable.
- Comes with three-way air water syringe.
